

# TWAIN HARTE COMMUNITY SERVICES DISTRICT

## JOB ANNOUNCEMENT UTILITY OPERATOR I

*Applications Due: 1:00 p.m. – November 29, 2023*

### Our Invitation

Twain Harte Community Services District (THCSD) would like to extend an incredible opportunity to join our operations team as a Utility Operator I. Our Operations Division takes pride in delivering excellent water, sewer and park and recreation services to its residents and visitors.

### Our Town

THCSD is located in the charming mountain town of Twain Harte – one of the most desirable areas in Tuolumne County. Home to about 2,500 residents, the town has a friendly, family-oriented feel.

Downtown Twain Harte is lined with small businesses, restaurants, an elementary/middle school, golf course and park. Large community events are common, as is a shared sense of pride among residents.

### Our District

Our Operations Division operates and maintains THCSD's water treatment, water distribution, sewer collections and park and recreation facilities.

The water system consists of a 1-MGD surface water treatment plant, 3 groundwater wells, 2 pump stations, 6 storage tanks, and miles of water line that distribute clean, safe water to about 1,600 customers.

THCSD's sewer collections system consists of 3 lift stations and miles of sewer line that collects wastewater from about 1,500 customers.

Park facilities include a park, baseball field, skate park, stage, bocce courts, tennis courts and a community center.

### The Ideal Candidate

The ideal Utility Operator I will be a responsible and reliable individual with an excellent work ethic. He/she will follow direction in a detail-oriented manner, will work well with his/her hands, think quickly, enjoy working outdoors and be adept at operating heavy equipment.

With a hunger to learn, the ideal candidate will learn quickly and continually look for opportunities to grow in knowledge and skills. Superior analytical skills and practical problem solving will be expected.

A positive attitude and outstanding communication skills will enable the Operator to work well as part of a team and build effective working relationships with coworkers. His/her professional and courteous demeanor will result in solution-oriented service to customers.

### Compensation & Benefits

**Hourly Rate:** \$24.40/hr- \$36.04/hr

THCSD offers an excellent benefit package, which generally includes:

- CalPERS Retirement
  - 3% @ 60 (Classic)
- Health Insurance Plan
  - 90% costs covered for Employee + Family
- Health Reimbursement Account
  - Up to \$7,250/year toward medical and dental costs
- Paid Leave (Annually)
  - 14 Holidays
  - Vacation: 2-5 Weeks
  - Sick: 12 days

See the attached summary for more information on THCSD benefits.
