# THCSD GENERAL MANAGER REPORT

by Tom Trott, THCSD General Manager

## GM REPORT

July 8, 2026

### ADMIN ACTIVITIES

- Christmas Tree Warranty Coordination
- Grand Jury Investigation
- GIS Mapping System Upgrades Project
- Eproson Park Solar Lighting Value Engineering
- Sonora Area Foundation Grant Application
- CDBG SCADA Upgrade Grant Coordination

### MEETINGS OF INTEREST

- |      |                                      |
|------|--------------------------------------|
| 6/10 | Solar Lighting Coordination Meeting  |
| 6/27 | THCSD @ Friends of Library Booksale  |
| 7/1  | County Operational Area Coordination |
| 7/2  | THCSD Booth @ Open Air Market        |
| 7/7  | Solar Streetlight Vendor Meeting     |

### CAPITAL PROJECTS

#### Eproson Park Solar Light Replacement

Budget: \$93,500

Design and value engineering for a grant-funded project to replace streetlights in Eproson Park with solar streetlights is underway. The project is anticipated to be complete by spring 2027.

#### Cresta Sewer Replacement/Relining

Budget: \$325,000

Replacement of 955' of high-risk sewer line between Cresta Drive and Oak View Drive is complete. The remaining 1,550' of sewer line has been repaired and is anticipated to be relied in spring 2027.

#### Manzanita Court Waterline Replacement

Budget: \$125,000

Replacement of 300' of undersized, degraded galvanized iron waterline will be complete this week at \$50,000 under budget.

#### Black Oak Drive Sewer Replacement

COMPLETE

Replacement of 60' of sewer line with significant inflow/infiltration was completed at \$45,000 under budget.

#### SCADA System Improvements

Budget: \$645,000

Grant funding has been awarded for a project to install a water and sewer supervisory control and data acquisition system (SCADA) that provides remote monitoring and control of the District's water treatment plant, pump stations, tanks and sewer lift stations. Once the grant funding agreement is completed (projected this summer), an RFP will be issued for project design.

### PLANNING PROJECTS

#### Activation of Latent Powers

Based on citizen request and strategic plan goals, staff is exploring activation of its powers to provide lighting services to downtown Twain Harte. This requires LAFCO approval and a study showing the District can sustainably provide services long-term. The study/review will be performed in FY 26-27.

#### County Pool/Library Collaboration

Staff has initiated collaboration with the County to explore ways to improve aquatic recreation and library stability in the District.

### FUNDING OPPORTUNITIES

#### Sonora Area Foundation - \$32K

EV Fire Response / AWARD: August 2026

#### FEMA Public Assistance - \$90K

Storm Response / AWARD: Spring 2026

#### FY 26-27 VFC GRANT - \$38K

Radios / AWARD: Fall 2026

#### Energy Efficiency Grant - \$94K

Eproson Park Solar Lights / AWARDED

#### HUD CDBG Grant - \$525K

SCADA System / AWARDED

To learn more details, join us at our monthly THCSD board meetings.

# TWAIN HARTE FIRE DEPARTMENT REPORT

by Neil Gamez, THFD Fire Chief

## June Responses

On June 11, Engineer Payton, Engineer Trine, Intern Operator Castle, Intern Firefighter Row, and Intern Firefighter Kjeldgaard attended an Engine Company Operations course in the City of Mountain House. Upon completion of the training and while returning to the station, the crew observed a large smoke column in the distance. They responded to investigate and arrived to find a fire involving an approximately 1-million-square-foot warehouse.

The crew immediately integrated into the incident and provided support to the South County Fire Authority. Twain Harte Fire Department personnel remained on scene for approximately four hours, assisting with fire suppression and other incident operations. This incident provided our personnel with the opportunity to apply the skills learned during training in a real-world,

large-scale emergency while strengthening our partnerships with neighboring agencies.

## Vacant Lot Inspections

The 2026 Vacant Lot Inspection Program is underway. As of June 30, Engineer Kaleb Trine and Fire Chief Neil Gamez have completed 53 vacant lot inspections. Inspections are progressing on schedule, with all inspections anticipated to be completed by the target date of July 30, 2026.

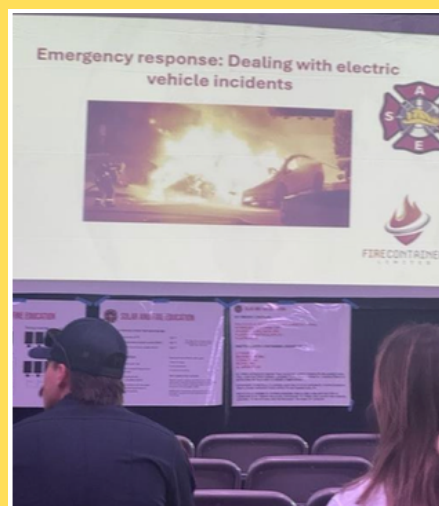

## Facilities

Captain Slater and crew installed the new Starlink internet dish at the community center.

## Electric Vehicle Fire Training

June 5th, Chief Gamez, Engineer Payton, Engineer Trine, and Intern Operator Castle attended a class for Electric vehicle Fires in Clovis.

# THFD REPORT CONT.

by Neil Gamez, THFD Fire Chief

## June Responses:

EMS Incidents: 31  
Fires: 10  
Public Service Assists: 4  
Emergency Standby: 7

## Incident Responses:

Twain Harte: 26%  
Tuolumne County Fire: 63%  
U.S. Forest Service: 10%  
Mi Wuk Fire: 1%

## Staffing:

Full-Time Captains: 2  
Full-Time Engineers: 3  
Intern Operator: 1  
Reserve Firefighters: 2  
Intern Firefighters: 7  
June Training Hours: 222

# THCSD WATER & SEWER REPORT

by Lewis Giambruno, THCSD Operations Manager

State-required backflow testing was performed.

The corroded pipe at well #2 was replaced.

All paving repairs were completed.

Two sets of "Slow" stencils painted along Meadow.

Weed-eating was completed throughout the district.

Tie-in for the Manzanita Ct. waterline upsizing.

Sewer failed cleanouts from the smoke testing inspections have been repaired.

Crews performed three service line leak repairs.

The Christmas tree did not survive the transplant. A replacement is in progress.

## NOT PICTURED

- The Pipehunter Hydro-Excavator blower has been repaired and returned. We determined that a possible air leak at one of the gaskets is present, as well as other potential issues. A mechanic will be sent to diagnose and correct the issues.
- The current sewer replacement project sections at lower and upper Cresta are largely complete.
- Old restroom conversion to storage is complete.
- The Community Center roof above the kitchen and bathrooms has been replaced.
- A formal backhoe training program was developed.
- Housekeeping was performed at wellhouses, pump stations, and the roundhouse.
- Several miscellaneous plumbing repairs at the park restrooms were made.

# 4<sup>TH</sup> OF JULY PARADE AND REFLECTION

by Lise Lemonnier, Planning Section Chief

The 4<sup>th</sup> of July, Independence Day! My immigrant mom's favorite holiday. She would dress up in red, white, and blue (down to her fingernails), make lots of delicious food (often with a flag motif), and start the party as soon as the first guest arrives. She was always so happy to celebrate this wonderful country. I thought of her often as the Twain Harte Area Community Emergency Response Team (THA-CERT) participated in the Twain Harte 4<sup>th</sup> of July Parade. As Mike Mandell drove our 1952 Power Wagon, Matt Kain, Ed Proctor, and I rode along, proudly waving our flag. There was a good-sized crowd applauding us as we wound our way as part of the parade. Another great day in downtown Twain Harte!

## KEEPING IT COOL AT BIGFOOT

by Mike Mandell, THA-CERT Team Leader/President

Success! We opened the cooling station for the Bigfoot Music Festival on Friday, June 17th. We welcomed a few people for a cool down that afternoon with the help of Matt Kain and Pam Vlach. Saturday was even warmer! As the festival started at 11 AM and lasted until 8 PM, many more hot people needed our cooling station with its cooling mister and cold water served in the air-conditioned trailer. Margaret Lawrence, Maria Benech, Carol Hallett, and Red Griffin served approximately 115 people on that day. On Sunday, Matt Kain, Luz Kain, Pam Vlach,

Lise Lemonnier and I counted 77 people visiting the cooling station, with everyone expressing their appreciation. Note that we have added a handrail to make it easier to walk up the ramp to our door and the cool experience inside.

## FLAG FAIRIES

by Lise Lemonnier, Planning Section Chief

The little flag fairies were at it again. Bob Schreiner, Allan Hancock, Mike Mandell, Mary Schreiner, and me, the littlest fairy of all! Working together spot by spot all over Twain Harte, we put up our collection of American flags on Thursday before the July 4 holiday weekend, and we took them down on July 6 th and put them away. We are getting good at this little job, and we enjoy it! The next time the fairies will come to town will be for Veterans Day, November 11. If you would like to join us for a very pleasant time of camaraderie and giving back to our community, please contact me (Lise Lemonnier).

## TRAFFIC CONTROL ASSIST FOR LINE BREAK

by Mike Mandell, THA-CERT Team Leader/President

At 10:44 AM on July 20 th, I received a call from Chief Gamez informing me that the Water Department was working on a main line break on Brett Harte Drive and needed help with traffic control. I contacted some of our members. Lise Lemonnier arrived on the scene at 11:10, Bob Schreiner and Matt Kain followed soon after, and traffic was soon under control. Because some of the homes on the street were without water, Twain Harte Community Services District's water department made sure that homeowners had drinking water in this summer weather, delivering bottled water to them. By 4:47 PM, the pipe had been repaired, the hole filled, and our team was released. It had been a warm but overcast day, so the heat had been tolerable. Thanks to our great Water Department, water was restored just as quickly as possible.

# ANOTHER SUCCESSFUL BLOOD DRIVE IN TWIN HARTE!

by Carol Hallett, Program Manager

It was another great day for our community blood drive. We had 50 appointment slots available and set a goal of collecting 40 pints of blood. Thanks to everyone who showed up, we exceeded that goal and collected 46 pints. Way to go, Twin Harte; we are overachievers!

Six Red Cross team members made the trip up from Stockton (navigating the fire in Sonora). As always, they were professional, kind, and a pleasure to work with. Five local volunteers also pitched in to check people in and make sure everyone stayed hydrated. Everything ran smoothly.

We kept the energy up with oldies music from the '60s and '70s playing in the background. People were tapping their toes, snapping their fingers, and a few even sang along—it really made the mood fun!

It's always nice to catch up with neighbors, but the best part is knowing how many lives we're helping save with a relatively small effort. Thank you to everyone who donated or volunteered—your contribution makes a real difference.

## MARK YOUR CALENDAR!

Our next  
**BLOOD  
DRIVE**

— is —

**SEPTEMBER 21, 2026.**

To schedule an appointment,  
visit [RedCrossBlood.org](https://RedCrossBlood.org)  
and enter "Twin Harte."

# AUGUST TRAINING: EMERGENCY PREPAREDNESS

by Mike “Griff” Griffin, Training Officer

Do you have an emergency evacuation plan? Do you know how to be notified by Tuolumne County in the event of an emergency, such as a storm, wildfire, flood, or other emergency event? Do you know what the evacuation routes are from your neighborhood? Do you have a Go bag prepared for an emergency evacuation? Do you have an emergency kit and Go bag for your vehicle?

We have multiple subject matter experts lined up to train on these important subjects, including Twain Harte Fire discussing evacuation procedures. For the answers to these questions, and more, attend our Emergency Preparedness workshop on 8/29 at the Twain Harte Community Center on Manzanita Drive from 9 AM to Noon. RSVP is not required for this event!!

August 29: Emergency Preparedness

September 26: Traffic Control

October 17: CPR

## SUMMER FESTIVAL 2026

by Lise Lemonnier, Planning Section Chief

We were HOT! Sizzling hot! I mean the temperatures were hot. It was hot when we prepared for the Summer Festival in downtown Twain Harte July 24-25. This is a community event that happens every year, with this year the 51st. And, though the festival was more sparsely attended than in the past, customers looking for something to do or for some eye-catching doodad to buy were glad when they got to our CERT (Community Emergency Response Team) table. We had Margaritas, beer, wine, Lockford sausage, hot dogs, and fire department swag.

As always, we had a wonderful crew at the table that made for a fun way to spend the day. A big thank you goes to Allan and Carol Hancock of the Kitchen Store who provided lunch for the volunteers. All day Saturday and Sunday, the firefighters were on hand to talk to anyone, kid or adult, who stopped by. They showed off the firetruck and handed out little fire helmets. But then, Sunday afternoon, just as we were cleaning up, the firefighters were dispatched to the Dove fire in Sonora, and we haven't seen them since!

Because attendance was a bit lower than in previous years, maybe due to the heat (did I say it was hot?), I do have extra Lockford Smoked Dakota dogs in my freezer. If you are interested in purchasing any, please email me at [twainhartecert@gmail.com](mailto:twainhartecert@gmail.com)

# Sunburst Breakfast

---

## INGREDIENTS:

- Crescent Rolls
- ½ lb Breakfast Sausage (cooked)
- 4 Eggs (scrambled)
- ¾ cup Shredded Cheese

## NOTES:

1. You can use Italian Sausage, bacon, or ham instead of breakfast sausage.
2. For a vegetarian version, cook veggies like onion, summer squash, and carrots (drain).
3. Use your favorite cheese.
4. You can brush the top with melted butter and top with seasoning like Everything Bagel.

*Recipe shared by Carol Hallett*

6-8 servings

15 min prep  
25 min total time

Level: Easy

## DIRECTIONS:

1. Open and lay out crescent rolls in a sunburst (see photo).
2. Arrange cooked breakfast sausage around the center.
3. Top with cooked scrambled eggs.
4. Top with cheese.
5. Pull the tips of the dough over the top and tuck the tips under the center.
6. Bake per Crescent Roll directions.
7. Serve warm and enjoy!

# LOOKING TO VOLUNTEER? WE'D LOVE TO HAVE YOU!

## VOLUNTEERS NEEDED

JOIN OUR TEAM!

STRONGER TOGETHER

Email: [twainhartecert@gmail.com](mailto:twainhartecert@gmail.com) for more information.

## SAFETY TIP

by John Buckingham, Safety Officer

# AUGUST

USUALLY EXHIBITS OUR  
**HOTTEST WEATHER,**

so here are some tips to deal with the heat.

### 1 STAY HYDRATED

with water and  
avoid alcohol  
and caffeine  
drinks.

### 2

### NEVER LEAVE

a child, disabled person or pets  
locked in a vehicle. Death can  
occur in ten minutes in an over  
heated vehicle.

If you have a toddler, lock your  
car doors in your driveway so  
they cannot enter.

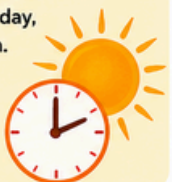

### 3

### STAY INDOORS

in well ventilated rooms,  
limiting outdoor activities  
during the hottest  
hours of the day,  
10am to 4pm.

### 4

### CHECK ON

vulnerable populations

### 5

### EDUCATE YOURSELF

to recognize heat related illnesses. Be aware of the  
symptoms of heat exhaustion and heat stroke, which  
include heavy sweating, weakness, dizziness, nausea  
and confusion. Seek medical attention if any of these  
symptoms worsen.

HEAVY  
SWEATING  
WEAKNESS  
DIZZINESS  
NAUSEA  
CONFUSION

Enjoy the month of August  
and stay cool!!!

## WHERE DOES THE TIME GO?

by Lise Lemonnier, Planning Section Chief
