Thank you for supporting our Parks! *Your partnership helps our community thrive*

Thanks to generous supporters like you, our parks and recreation facilities continue to be sources of community pride, enjoyment and connection. Your donations help us maintain these special places and make improvements that benefit Twain Harte for years to come.

From a morning game of pickleball to an evening under the stars at the Concerts in the Pines, the District's facilities give us a place to come together. They support recreation, local events, tourism and business and everyday enjoyment, while also serving as an important resource for emergency shelter when needed. These gathering spaces help our community to remain active, connected, and welcoming all year round.
