Re: Project Number: TX-55-001, Twain Harte Meadows Park, \$1,202,700

Dear Tom Trott:

Congratulations! The Department of Parks and Recreation is pleased to inform you that the project above has been selected for funding through the Proposition 68 Rural Recreation and Tourism Program (RRT).

Programs such as the Rural Recreation and Tourism Program help advance the "[Outdoor Access for All](#)" initiative championed by Governor Gavin Newsom and First Partner Jennifer Siebel Newsom. This effort expands outdoor access to park poor and disadvantaged communities throughout California

We look forward to working with your agency to ensure successful completion of the project. Your project file will be transferred to the Department's Office of Grants and Local Services grant administration section. Your grant administration Project Officer will contact you soon to schedule a mandatory grant administration technical assistance workshop. As a reminder, funding is not guaranteed until the grant contract is signed by your agency's authorized representative and the State of California. If you have any questions, please contact the Grant Administration Project Officer Lydia Willett at Lydia.Willett@parks.ca.gov.

We appreciate our partnership to provide new recreational opportunities to improve the health and quality of life of Californians. Again, congratulations on this project selection!

Sincerely,
